MEMORANDUM

To Mr. Harold Weisberg Date 14 March 1972

Subject: RE: Shipment of complimentary/review copies

Message Mr. Weisberg:

I was pleased to learn from Ted Payne, WJAS-PGH., that you had an opportunity to be on his show. Unfortunately, Mr. Payne was unable to notify me in time, however I hope to go to the station and listen to the tape if possible.

Were you satisfied with the interview? Have sales increased as a result? Ted told me he hoped to have you on again.

Our last letters and books crossed in the mail; the latter was received in good condition. Many Thanks.
